

Woodland Communicator

SEPTEMBER 9, 2020 • INSPIRE A LOVE OF LEARNING • IGNITE A LIFELONG LEARNER

Hi Woodland families! We hope you all enjoyed your long Labor Day weekend! We are all having a blast at our second week of school - thank you for sharing your children with us! Please see below for some important info and updates:

A Few Friendly Reminders

- Please be sure to return your child's Communicator folder to one of their teachers by Monday each week - thank you!
- Thank you for using our ProCare App for check-in and check-outs! We hope to have more information next week about how authorized pick-ups can check students in/out - stay tuned!

Safety during Afternoon Pick-Up

We are so appreciative of everyone's patience as we fine-tune our drop-off and pick-up procedures. Already things have gotten much smoother, and here are a few things to keep in mind to ensure our afternoon pick-ups are safe and timely:

- **Only adults are allowed to open gates.** Even though we love encouraging independence here at Woodland, this policy ensures the safety of our students.
- **Please remember that children must be holding an adult's hand while in the parking lot.** If staff deliver your child to you and you are having a conversation with another parent, staff will remind your child to hold your hand until ready to get into the car.
- To avoid congestion in the parking lot, our staff are moving quickly during pick-up. **If you need to have a longer conversation with your Lead Teacher, send them a message on your ProCare App to schedule a time to chat!** Check out this [link](#) for a detailed how-to.

Woodland Family Survey

All families will receive an email today with a link to our Fall Planning Google Survey. This survey is an opportunity for families to: provide feedback about some of our new policies and procedures, offer input on what you think fall events should look like, and how you, our amazing community members, would like to stay connected during an usual year! **Please be sure to submit your responses no later than next Monday, Sept. 14.** We look forward to hearing from you!

Holiday Raffle Planning Meeting - Details TBA

We are considering having an online auction and raffle for our holiday fundraising event this year (in place of Breakfast with Santa). We're eager to find parents who want to earn some community service hours and help us make this brand new event a success! **Please respond to your Woodland family survey to specify your preference of when and where to meet.** Thank you!

Charleston Wrap Fundraiser

We are so excited to announce that we are hosting an online fundraiser with Charleston Wrap starting Monday, September 21 - October 21. Charleston Wrap is known for their high-quality wrapping paper, delicious gourmet treats and beautiful home decor items! **WMS will receive 40% of all sales - since we will be spending more time outdoors this year, all funds raised will be put towards new materials and equipment for our outdoor environment!** Stay tuned for more details in next week's Communicator!

Woodland Community Service Hour
Opportunity!

We are having trouble getting a glass company out to campus in a timely way to measure windows for new screens. If you have these skills and would like to earn some community service hours, please reach out to the office!
