

# Woodland Communicator

DECEMBER 12, 2018 • INSPIRE A LOVE OF LEARNING • IGNITE A LIFELONG LEARNER

## A BIG THANK YOU!

We so appreciate all of you who contributed to our largest, most successful Breakfast with Santa to date! Your volunteer hours, donations, auction bids and admission tickets helped our foundation raise more than \$12,000, a new event record! After expenses, this will provide scholarship support for 10 to 12 families. Thank you for your generosity and best wishes for joyful holidays!

## Winter Break Care Reservations

With winter break fast approaching, don't forget to turn in your reservation form if your child needs care on December 28 or January 2. We need at least eight reservations each day in order to provide care. Forms are due next Wednesday, December 19.

## Morning Meals

Our early morning staff members love starting their day with your children. One key to a successful morning is a healthy, protein-based breakfast, which we happily provide to students who arrive by 8 a.m. Regardless of what time you drop your children off, please do not send them in to school with outside breakfast items or treats. By making sure they finish eating before they come on campus, you can help us avoid conflicts over treat inequity, and keep our morning schedule on track! Thank you for your cooperation!
