

Woodland Community Service Log

A minimum of 18 hours of community service time is required of each family every school year. The 18 hours of community service time **must** be for Woodland Montessori School, unless a family has children at both KME and Woodland Montessori in which case the family must log at least 9 hours at Woodland.

Any unfulfilled community service hours remaining at the time May's billing statement is generated, will be billed to your account at \$15 per hour. Hours worked through June 30 will be credited to your account for the current school year to offset any charges.

Please keep this form so you can record your hours as you complete them throughout the year. Forms will be due by May 15 in order to avoid charges.

Thank you for helping our school year run smoothly and keeping our Woodland community strong!
